## DOH-PINELLAS OUTREACH VACCINE CALENDAR, WEEK OF AUG. 16-22

*EMPLOYERS BOOKING CLINICS AT THEIR WORKSITES FOR STAFF*

As the number of positive COVID-19 cases continue to rise, vaccines remain the single most effective weapon against the virus.

To make getting your COVID-19 vaccine more convenient, the Florida Department of Health in Pinellas County (DOH-Pinellas) sends its outreach team to community locations several times a week.

Outreach events this week are at large and small employers offering their staff the convenience of a COVID-19 vaccine at the workplace.

If your business would like DOH-Pinellas to set up a COVID-19 vaccine clinic at your location, complete the Survey Monkey request at <https://www.surveymonkey.com/r/PinellasVaccineEvent> and our staff will contact you.

Anyone 12 and older can receive the Pfizer vaccine. Outreach events are open to the public without an appointment. As always, vaccines are provided at no cost.

Here are some upcoming outreach events to take advantage of next week with a \$20 food voucher as a thank-you gift for all who are vaccinated:
